PROJECT
BACKSTAGE
Arcadiaverse

We have a metaverse platform for live shopping and entertainment.

In phase 1— March—June 2022
We designed fabulous unreal environment.
We created a rowdy group of NFT 3d animated character avatars
We released an 3d NFT preview of Cloud 9 MetaMall
We created native Tokens with Tokenomics
Ukata Studios Designed a stunning Web Site MallRatz.io
MetaMerch manufactured, and ready for airdrops, online shopping
Planned Contest/IRL/Giveaways/Events/Incentives
Launched Metaverse Fashions Pop Up Shop
Created Intro guideline to all things Arcadiaverse
Check Check Check

Phase 1— NOW
We are hiring, recruiting media arts professionals (C++, live, UeS)
We are developing our MALLRATZ NFTs
We are creating Ad Campaign for phase 2
We are upgrading our current smart contract
We are producing and selling branded merch to raise awareness
We are combining all our stores into one Metamall
We are crypto wallet integrating our website
We are actively recruiting innovators, creators, investors, artists
Releasing the first MallRatz random gen Avatar NFTs July 22

In phase 2— q3
Budget with Sales
We add live streaming for up to 500 people. Wallet connect.
We hire developers to code full shop and social integration, etc.
Gaming beta
Token rewards claims
Upgrade Dao, Give Community Roles, Governance

PROJECT
Arcadiaverse
BACKSTAGE

I'm phase 3— q4
We add live channels for shows, vlogs, streamcasting, live concerts
We finally add sandbox style gaming, cross platform gaming etc. For up to 2500 users.
Create—a—_____
Personals, Marketplace, Dating, Channels for unlimited users

I'm phase 4. Q3 2023
$$$$$ to webflow, workflow, corps
we will have fully scaled user friendly live multiverse generators.
We host an unreal multiverse with fully immersive experience . To a Sims online for experience.
Project Arcadiaverse Legacy Better than "Meta" "DCL""Hyperverse""Sandbox" "MetaKrew" Take over all of entertainment
We still need developer for menus and animations and wallet connect. We have our native tokens, NFT presales, and a smaller budget for phase 1.
Phase 2 we have much larger budget.
By phase 4 we should have $100ks budget.
